FORGE -- an 11 year old national advocacy, educational and support organization -- is pleased to announce the first annual FTM+/SOFFA conference to be held in the Heartland (Milwaukee, WI) on March 29 - April 1, 2007.

The FORGE Forward 2007 Conference will include two full days of pre-conference institutes; over seventy-five concurrent, multi-threaded workshops and caucuses, keynote addresses by leading transgender and SOFFA leaders and innovative thinkers; sizzling entertainment; socializing, networking, 12-step recovery, and support activities; free consultation with respected transgender surgeons; and an exhibit hall packed full of your favorite vendors and organizations.

To complement the progressive programming, the FORGE Forward 2007 Conference will also include singles events, a logo contest, childcare, a film festival, a hospitality suite and other social activities, a clothing swap, film festival, and many other non-workshop activities to meet the needs of all participants.

Get involved early by letting others know about this exciting event. Print out the "save the date" flyer (www.forge-forward.org/conference/flyer.pdf) and distribute it at your local support group or to friends or clients who might benefit.

A request for proposals -- both for workshops and intensives -- will be available soon. Sign up to receive email updates (conference@forge-forward.org) or bookmark our website -- www.forge-forward.org/conference -- and check back frequently for Conference updates and announcements.

The FORGE Forward 2007 Conference's philosophy is inclusion-focused. We value individuality, diversity, and complexity -- believing that together, all of us make a stronger, more supportive and vibrant community.
